

Just as we look after our physical health, it's important to look after our mental health. In fact, the two are closely connected.

Most of us will know what it's like to feel worried, stressed or low

Here are some ways people describe self-care:

"Something that refuels us, rather than takes from us."

"Eating well and getting enough sleep"

"Something you enjoy that allows you to escape whatever is troubling you. Make sure you do at least one thing you like every day."

about knowing what we need to do in order to take care of ourselves. I don't take enough care of myself, I won't be

"You need to plan self-care. It won't just happen. Set some time aside to make a short plan."

1. Organise your day

"Writing a list and organising yourself will help to prevent stress. I like to write all of the big things I have to complete on a piece of paper and it makes them feel so much smaller."

2. Try to get showered and dressed each morning
