Dear Parent / Carer,

Re: Bronze Duke of Edinburgh

I am delighted to confirm that you

The dates for the assessed expedition have now been finalised and this will take place from 4

October 2024. Pupils will be camping overnight at Prances Scout Camp, Wickham Bishops. I will provide you with further details nearer the time.

As you are aware, the practice expedition will take place on 12th - 13th July 2024.

The Duke of Edinburgh scheme is a great chance for your child to broaden their horizons, discover new interests and talents, have fun with friends and develop essential skills for their future. Upon completion, they will, of course, benefit from having achieved an internationally recognised and renowned Award.

If you have any questions, please do not hesitate to contact me at awoods@sweynepark.com.

Yours faithfully

A Woods
